YOUR FUNDS ARE SAFE WITH HEALTHCARE ASSOCIATES

March 20, 2023: Naperville, IL: While recent banking-related news may cause people to be concerned about the health and security of their financial institution, please rest assured that your funds at HACU are safely insured as they have been for over 40 years.

Deposits are insured for at least \$500,000 - \$250,000 through the federally insured **NCUA** National Credit Union Share Insurance Fund and an additional \$250,000 via **Excess Share Insurance**. Please refer to [HACU.ORG](https://www.hacu.org) for more information.

Thank you for being a member and for your continued loyalty and trust in strongly-capitalized HealthCare Associates as it continues to provide financial services to those working in the healthcare community nationwide. Please feel free to reach out if you have any questions.
