HealthCare Associates Credit Union® Announces Headquarters Relocation to Enhance Operations and Member Support

Naperville, IL – March 5, 2025 – HealthCare Associates Credit Union (HACU) is excited to announce the relocation of its headquarters in April 2025 to 2441 Warrenville Rd., Suite 400 in Lisle, IL. The move supports the credit union's continued growth and commitment to providing exceptional service to healthcare professionals nationwide.

The new headquarters will allow HACU to enhance operational efficiency and provide an improved workspace for its employees. While the new location will not feature a traditional branch for daily member transactions, members may visit for loan document signings, consultations, or other scheduled meetings.

HACU remains dedicated to delivering convenient banking solutions through online services, mobile banking, and partner branch locations.

"This relocation marks an exciting step forward for HACU as we continue to expand our services and strengthen our support for the healthcare community," said Joe Kregul, CEO of HealthCare Associates Credit Union. "While we won't have a traditional branch at this location, we are committed to ensuring our members have access to the financial tools and assistance they need through our other brick and mortar locations, digital banking, remote services, and our network of shared branches."

HACU has long been a trusted financial partner for healthcare professionals, offering a high interest checking account, financial wellness programs, and tailored solutions to support members' financial well-being. The new headquarters aligns with HACU's mission to provide outstanding financial solutions that empower its members to **Bank Healthy**®.
